TDK Life on Record

Sound Cube Audio System

Fill any room, any place, with sound

Rethink stereo. The TDK Life on Record Sound Cube provides powerful, multi-dimensional sound in a distinct, compact design that works anywhere, inside or out.

Two powerful coaxial drivers deliver space-filling sound in a unique, bold design. An innovative equalizer gives your music a visual heartbeat for all to see, while aluminum dials give you control over the music source, volume and tone. Digital data streaming allows premium audio decoding and playback while charging Apple iPod and iPhone devices.

Inputs include USB, 3.5mm and auxiliary ports that let you connect an iPod, iPhone, smartphone or USB flash drive. You can even plug in your guitar or microphone and mix with other music sources.
